Not just wanted. Needed! We are required by law to have a copy of your current PERC card in your personnel file. Every one of you has a current PERC card that expires in 2012. Many of you have not submitted a copy to the office. You should have received your card from Springfield by now. If you have not received it, please call the office and let us know, and then call IDFPR at 217-785-0800 to request another copy of it. Please take care of this now so we can move on to other things.

Welcome Aboard

We would like to welcome the Land of Lincoln Goodwill Industries aboard as a new client. Goodwill Industries has selected Executive Security Specialists, Inc. as their provider for security personnel in their retail stores in the central Illinois area.

Illinois National Guardsman Company "C" returned home to Kankakee from a year-long tour in Afghanistan. Security Officers Joel Eigsti and Becky Collins, both assigned to CSL Behring in Bourbonnais, have designed and manufactured this banner which was displayed next to others that were made from employees from the facility. They all were hung on the main fence along Illinois State Route 50 which was a large part of the motorcade route. An estimated 90,000 people lined the highway from Manteno to the final destination at the Community Center at Indiana Avenue and Court Street in Kankakee to show their support of the troops.
